GitHub Repo: https://github.com/erheltemes/multiplayer_online_gin.git

Deployed App: <https://floating-ravine-14544.herokuapp.com/>

- **Summary:** MERN application which allows users to play gin with each other.
- **Role:** Wrote entire client-side game logic and conditional page rendering, as well as implemented websockets.
- **Techs Used:** MongoDB, Express, React.js, Node, Socket.io

Study Session Planner: April 2021

GitHub Repo: https://github.com/erheltemes/study_session_planning_site.git

Deployed App : <https://mysterious-bayou-93387.herokuapp.com>

- **Summary:** MVC application which allows users to schedule study sessions that other users can join.
 - **Role:** Handled all API calls, conditional handlebars statements, and JS event listeners.
 - **Techs Used:** MySQL, Express, Node, Handlebars, JavaScript
-

Experience

Pit/Vocal Director and Accompanist Freelance

July 2014 - February 2020
Greater Twin Cities Area, Minnesota

Worked with all ages in community and school theatre programs to educate and produce quality productions.

Key accomplishments:

- Grew from directing elementary students to trained adults.
 - Organized, arranged, and taught parts to singers and pit band members.
 - Taught singers vocal technique based on their individual needs.
 - Planned efficient rehearsal schedules with others on the production teams.
 - Created a fun learning environment.
-

Education

Full Stack Bootcamp Certificate

University of Minnesota - Academic Average: A | March 2021 - May 2021

- A 12-week, full-time intensive program focused on gaining technical programming skills for Full Stack Web Development

Bachelor of Professional Studies in Music Composition for Film, TV & Games

Berklee Online - GPA: 3.968 | September 2018 - December 2020
